Peterson Trail Carlton Peterson Park, 24142 E. Sylvan Glen Rd. Diamond Bar, CA. (909) 397-4475

SITE :

Peterson Trail is located in Carlton Peterson Park and is approximately 1,173 linear feet. The trail is classified as moderate to difficult.

CURRENT AMENITIES & USES :

The trail is accessed from the concrete walking trail in Carlton Peterson Park. There are 2 viewing areas, one approximately 2/3 of the way to the top of the hill, and the other at the top of the hill. The trail is a dirt trail that meanders through natural flora and fauna.

RECOMMENDED PRIORITIES AS FUNDING BECOMES AVAILABLE :

Trail improvements from access point to upper view area per City trail standards
Improvements to trailhead access point and signage
Installation of a bridge at the entry over the existing drainage ditch

ADDITIONAL IMPROVEMENTS DESIRED BY THE COMMUNITY:

Viewpoint area with pad and benches

ESTIMATED FUNDING NEEDED :

Trailhead access point and signage, trail improvements including steps and bridge	$250K
Viewpoint areas with pad and benches	$50K

POSSIBLE FUNDING SOURCES :

Trail improvements can be funded from Trail and Transportation Grants, Open Space Grants, City General Fund, and cooperative agreements with the California Conservation Corp. Trail improvements can also be accomplished through community service volunteer projects.

Pantera Park Trail Pantera Park, 738 Pantera Dr. Diamond Bar, CA. (909) 397-4475

SITE :

Pantera Trail is accessible from the trailhead at the southern portion of Pantera Park next to the basketball courts. The trail is approximately 4,738 linear feet and is classified as a difficult trail.

CURRENT AMENITIES & USES :

In addition to a trail entrance, the Pantera Trail has an existing rope pull so that hikers can navigate a steep portion of the trail. There are 3 view areas, one on the southern ridge and 2 on the northern ridge.

RECOMMENDED PRIORITIES AS FUNDING BECOMES AVAILABLE :

New trailhead access point and signage

ADDITIONAL IMPROVEMENTS DESIRED BY THE COMMUNITY:

Addition of level pad and benches at view area

ESTIMATED FUNDING NEEDED :

Trailhead access point and signage with trail improvements	$300K
Level pad and benches at viewpoint area	$50K

POSSIBLE FUNDING SOURCES :

Trail improvements are funded from Trail and Transportation Grants, Open Space Grants, City General Fund, and cooperative agreements with the California Conservation Corp. Trail improvements can also be accomplished through community service volunteer projects.

Sycamore Canyon Trail Sycamore Canyon Park, 22930 E. Golden Springs Rd. Diamond Bar, CA. (909) 397-4475

SITE :

Mini park and trailhead

CURRENT AMENITIES & USES :

Sycamore Canyon Trail Head Park is a mini park leading to the trail head for Sycamore Canyon Trail. It currently contains benches, a dog bag dispenser, drinking fountain, kiosk, and a paved walking trail along with an open turf area and off street parking.

RECOMMENDED PRIORITIES AS FUNDING BECOMES AVAILABLE :

The only improvement to consider at this time is the installation of security cameras at the trail entrance.

ADDITIONAL IMPROVEMENTS DESIRED BY THE COMMUNITY:

Security cameras are needed but not urgent priority and should be installed at the recommended locations as funding becomes available.

ESTIMATED FUNDING NEEDED :

Security cameras - 35 K to 50 K

POSSIBLE FUNDING SOURCES :

It is recommended that the City "bundle" the installation of security cameras at all of the recommended locations throughout the park system and fund one project for all installations through either the annual capital improvement program or by seeking a sponsor to pay for the security camera systems in exchange for onsite recognition of the sponsor.
